Safety - Standards - Hygiene

This appliance has been designed to comply with the most strict international safety and hygiene regulations in conformity with the standards, especially :

- ◆ Machinery directive 98/37/EC
- ◆ Electromagnetic compatibility 89/336/EEC
- ◆ Electrical equipment designed for use within certain voltage limits "low voltage" 73/23/ECC
- ◆ Harmonized European standards
EN 292-1 et 2 ---- EN 60204-1 : 1998

- ◆ CE European standards
- ◆ GS (Germany) controlled by LNE laboratory
- ◆ UL (USA & Canada) (Pending)
- ◆ NSF (USA) (Pending)

Electrical safety

Waterproof ECU (electronic control unit). Overload safety
All mechanical parts are ground (earth) connected
every equipment is perfectly controlled after assembly
(special electrical testing bay)

Thermal safety

Motor protected by internal thermal detector.

Acoustic safety

The asynchronous motor is particularly silent

Hygiene

All removable parts can be put in a dishwasher or easily cleaned with hot soapy water.

Ice crusher # 53
